POLITICAL ACTION FUND

Because of the importance of legislation being acted upon in Albany, the Association has established a political action committee (PAC), called the Greater New York Automobile Dealers Association, Inc. Political Action Fund. The PAC is funded by members of the Association through a "check-off of \$350" which is already included in your membership dues.

This means that payment of your dues implies permission to designate \$350 to the PAC. If you choose NOT to be a member of the PAC, dues remain \$695 for allied members. You must sign and completely fill out the form below, directing us NOT to apply \$350 in your name to the PAC.

DECLINATION FORM

No, I do not want \$350 of my annual dues to be contributed to the Greater New York Automobile Dealers Association, Inc. Political Action Fund.

All contributions to the PAC will be used to support candidates for state and local office. New York State law forbids a corporation from making contributions to state and local candidates totaling more than \$5,000 per year. If you permit \$350 of your dues money to be contributed to the GNYADA Political Action Fund, it must be counted against your \$5,000 limit.
