OPUS INSPECTION

Welcome to NYVIP 3

Mr. Frank Ofiero
Corporate Director, Opus

May 2022

OPUS INSPECTION

What's new with NYVIP3?

- All-new website (www.NYVIP3.com)
- Print-on-Demand Stickers
 - Sticker stock
- Draw-Down account for purchasing inspection authorizations
 - Test Authorizations/Sticker Authorizations
- Drew Technologies / IVS IMClean OBD Tool
- Operating Lease option (includes consumables/repairs)
- Integrated Opacity Testing (heavy-duty diesel vehicles)
- Safety-Only Packages
- Broadband connection only; dial-up not allowed

Welcome to www.NYVIP3.com

The screenshot shows the NYVIP3 website interface. At the top, there is a navigation bar with the NYVIP3 logo and links for Home, Resources, Links, and Facility Sign In. Below the navigation bar is a banner with the text "Welcome to the New York Vehicle Inspection Program!" and "Keep New York Skies Clear". A central white box contains "Program News" with three entries: "NYVIP2 Message No. 274" (2nd REMINDER: IMPLEMENTATION OF NEW NYVIP3 CONTRACT), "NYVIP2 Message No. 271" (IMPLEMENTATION OF NEW NYVIP3 CONTRACT), and "NYVIP2 Message No. 269" (ADVANCE NOTICE OF REPLACEMENT OF NYVIP2 EQUIPMENT). Below the news section is a three-step registration process:

Step 1 - Station Account Registration	Step 2 - Sign Station Participation Agreement	Step 3 - Order Equipment
 <p>Register your Station to gain access to complete a Station Participation Agreement, manage Station information and purchase NYVIP3 equipment.</p> <ul style="list-style-type: none">Your user name is the same as your facility number.Create a password.Your newly created account will allow you access to execute a station participation agreement.	 <p>Complete NYVIP3 Station Participation Agreement online to become eligible to purchase equipment for your Station.</p> <ul style="list-style-type: none">Click here to see a sample Station Participation AgreementThe Station Participation Agreement is the contract between your station and Opus Inspection.Your electronic signature (acceptance) will execute the contract.	 <p>ORDER NYVIP3 EQUIPMENT</p> <ul style="list-style-type: none">We offer wired and wireless options for all level packages. Simply choose the package that best fits your needs.We offer Purchase or Operating Lease options for payment.Your equipment will be delivered with an installation Manual and access to step by step video instructions. Operating software will be preinstalled and peripherals will be plug and play. A dedicated help desk will be available to assist users by phone.

Step 1

Station Account Registration

Register your Station to gain access to complete a Station Participation Agreement, manage Station information and purchase NYVIP3 equipment.

- Your user name is the same as your facility number.
- Create a password.
- Your newly created account will allow you access to execute a station participation agreement.

NYVIP3 Station Account Registration

- Enter all Station Information
 - Facility ID
 - Facility Zip Code
 - Your Email
 - Set Login Password

Read/Review Station Participation Agreement

Station Participation Agreement for TEST RECORD FOUR

NYVIP3 STATION PARTICIPATION AGREEMENT

AUTHORITY

04-25-2022

The New York State Department of Motor Vehicles ("DMV") has entered into a contract (the "Contract") with OPUS International, LLC (OPUS) wherein OPUS will offer the services provided for in this Agreement under the terms and conditions specified herein (the "Services"). To participate in the NYVIP3, licensed inspection stations (the "Station") MUST use the Services. This Agreement describes the terms and conditions under which the Services will be provided.

Network Services, Warranty Services and Training Services will be paid for by the Station through a fee charged each time the Computerized Vehicle Inspection System (CVIS) transmits a completed vehicle inspection record to the OPUS NYVIP3 Information Management Network (the "Network").

OPUS will directly provide the following services:

- **Network Services**
 - Allows the NYVIP3 Computerized Vehicle Inspection System (CVIS) to connect to the Vehicle Information Database (VID) for the purpose of receiving and sending information to DMV involving vehicle inspections and repairs, and reporting the condition and status of your CVIS to Opus;
- **Warranty Services**
 - Provides hardware and software Warranty Services to the Station in order to keep the CVIS in good working order;
- **Training Services**
 - Training and certification of Station inspectors through a Computer Based Training ("CBT") program; and
- **Other**
 - Certain other hardware, software and service options available to Stations as described herein.

Part 1: New York Vehicle Inspection Station Participation and Services

NYVIP3 Enrollment and Service Agreement (hereafter "Agreement") is between Opus Inspection, 7 Kripes Road, East Granby, CT 06026 (hereafter "Opus") and, Facility Name: TEST RECORD FOUR, Facility Address: 98 NIVER STREET, DMV Facility Number: 7116587 (hereafter "Station").

Station confirms that it is a licensed Inspection Station in the State of New York. The Agreement shall have an Effective Date as defined under Section 24 and shall continue for an initial term until November 30, 2029, except as otherwise provided herein. Thereafter, this Agreement may be extended by 12- or 24-month

What's new with NYVIP3?

- All-new website (www.NYVIP3.com)
- Print-on-Demand Stickers
 - Sticker stock
- Draw-Down account for purchasing inspection authorizations
 - Test Authorizations/Sticker Authorizations
- Drew Technologies / IVS IMClean OBD Tool
- Operating Lease option (includes consumables/repairs)
- Integrated Opacity Testing (heavy-duty diesel vehicles)
- Safety-Only Packages
- Broadband connection only; dial-up not allowed

Print-on-Demand Stickers / Inspection Certificates

- Honeywell PC42T Printer
- Sticker stock supplied by Opus
- 2 types of sticker stock
 - Interior
 - Exterior
- 8 types of certificates to be printed
 - \$6.00 for OBD Emissions certificates
 - \$2.00 for all other types of certificates

Current(2023) Stickers	
Internal	0
External	297

Sticker Application Change

- Heavy Diesel Vehicles (typically over 18,000 lbs.) registered in the DEMA will no longer receive two (2) stickers (currently Safety/Diesel on the windshield and Heavy Vehicle Safety on the front bumper)
- Print on Demand Sticker Improvements:
 - One interior sticker application for all vehicles with a windshield except for motorcycles.
 - Includes plate #
 - Vehicle Identification Number (VIN)
 - Vehicle mileage
 - Sticker Serial Number
 - Security Watermarks
 - QR code will Contain Vehicle, Station and Inspector Info

Comparing the Change

- ✓ Stickers paid for from draw-down account
- ✓ Easily recognizable in comparison to old stickers
- ✓ Added vehicle specific information in conjunction with an electronic inspection record to help reduce fraud

NYVIP2

NYVIP3

Convenient Draw-Down Account

- Pre-paid account funded by station; used for inspection authorizations (test authorizations & sticker authorizations)
 - Test Authorizations collected by Opus
 - Sticker Authorizations collected by Opus and paid to DMV on behalf of station
- Auto-Replenishment available (only with ACH)
- Credits can be applied.
- Exact account balance only available to “managers”; account status on Workstation

Drawdown Account Transfer Form

Transfer funds from your ACH account to your Drawdown account.

Drawdown Account Balance: \$4960.33

Payment Options/Methods

- Payment Options
 - Pay in full at time of order
 - Pay a \$500 deposit (remainder due on date of equipment shipment)
 - Operating Lease
- Payment Methods
 - ACH (used to purchase equipment or auto-replenish Draw-Down account)
 - Credit/Debit card (VISA, Mastercard, Discover)

Due to equipment shortages and supply chain issues, a revised implementation timeline for NYVIP3 has been requested by Opus and approved by DMV. Facilities may choose to order NYVIP3 equipment now (preferred), or return to this site at a later date to complete their equipment order. Opus will prioritize orders from diesel emissions (opacity) stations and stations not currently conducting inspections on the NYVIP network. Opus expects to begin fulfilling these orders in July 2022.

Diesel emissions (opacity) stations and stations not currently conducting electronic inspections are expected to order and secure NYVIP3 equipment by November 1, 2022. Please plan accordingly.

All other stations currently conducting inspections with a CVIS unit are expected to begin receiving their orders in Q2 2023. For these inspection stations facing a delayed shipment, placing an order and submitting a completed NYVIP3 Station Participation Agreement to Opus by November 1, 2022 will ensure compliance and uninterrupted service with current equipment.
